

## Our Mission

Believing in the imminent return of Christ, our mission at Chehalis Seventh-day Adventist Church is to proclaim the Everlasting Gospel\* of Jesus Christ to every person in Southwest Washington, inviting them to become fully devoted disciples of Jesus.

*\*See Revelation 14:6-12*

In creating man, God designed that each human being should be a part of the web of humanity. He pledged Himself to make every provision for the happiness of men and women by making it possible for them to be like Him. It is His purpose that nothing shall be wanting to their happiness if they remain loyal to His commandments. They are the objects of His special love and care, and He would make them consecrated channels through which blessings from His abundant resources shall flow to the world.
