Church Budget

This church has an active and growing outreach program. Our ministries include the Health and Wellness Clinic, The Sing-along Messiah, Lewis County Adventist School, Pathfinders, Sabbath School, Mission trips, Music, and many others. Much of the funding for our programs come from the Combined Church Budget. When you contribute to the Church Budget you are not only keeping our heat and lights on but you are funding programs that overtly share Jesus Christ with our community. Thank you for your sacrificial giving to our Combined Church Budget.
