

## Our Mission

Believing Christ  
Proclaiming His Gospel  
Inviting others to follow Him!

The power of God is manifested in the beating of the heart, in the action of the lungs, and in the living currents that circulate through the thousand different channels of the body. We are indebted to Him for every moment of existence, and for all the comforts of life. The powers and abilities that elevate man above the lower creation, are the endowment of the Creator. *Counsels on Stewardship p.17*
