## *We Believe in God the Son*

God the eternal Son became incarnate in Jesus Christ. Through Him all things were created, the character of God is revealed, the salvation of humanity is accomplished, and the world is judged. Forever truly God, He became also truly man, Jesus the Christ. He was conceived of the Holy Spirit and born of the virgin Mary. He lived and experienced temptation as a human being but perfectly exemplified the righteousness and love of God. By His miracles He manifested God's power and was attested as God's promised Messiah. He suffered and died voluntarily on the cross for our sins and in our place, was raised from the dead, and ascended to minister in the heavenly sanctuary on our behalf. He will come again in glory for the final deliverance of His people and the restoration of all things.

## Our Mission

Believing in the imminent return of Christ, our mission at Chehalis Seventh-day Adventist Church is to proclaim the Everlasting Gospel\* of Jesus Christ to every person in Southwest Washington, inviting them to become fully devoted disciples of Jesus.

**Music Notes**  
Thomas A. Walmisley (1814-1856) was a prominent 19th century English organist. Georg Böhm (1661-1733) was a German organist one generation before Bach who seems to have had a profound influence on the younger composer. The only thing these two pieces have in common is that they happen to be in the same key, and seem to fit together well.
